Introduction to R & RStudio

1. Go to http://bit.ly/R_and_RStudio_day1

2. Make an account, or use Google or GitHub authentication to sign in

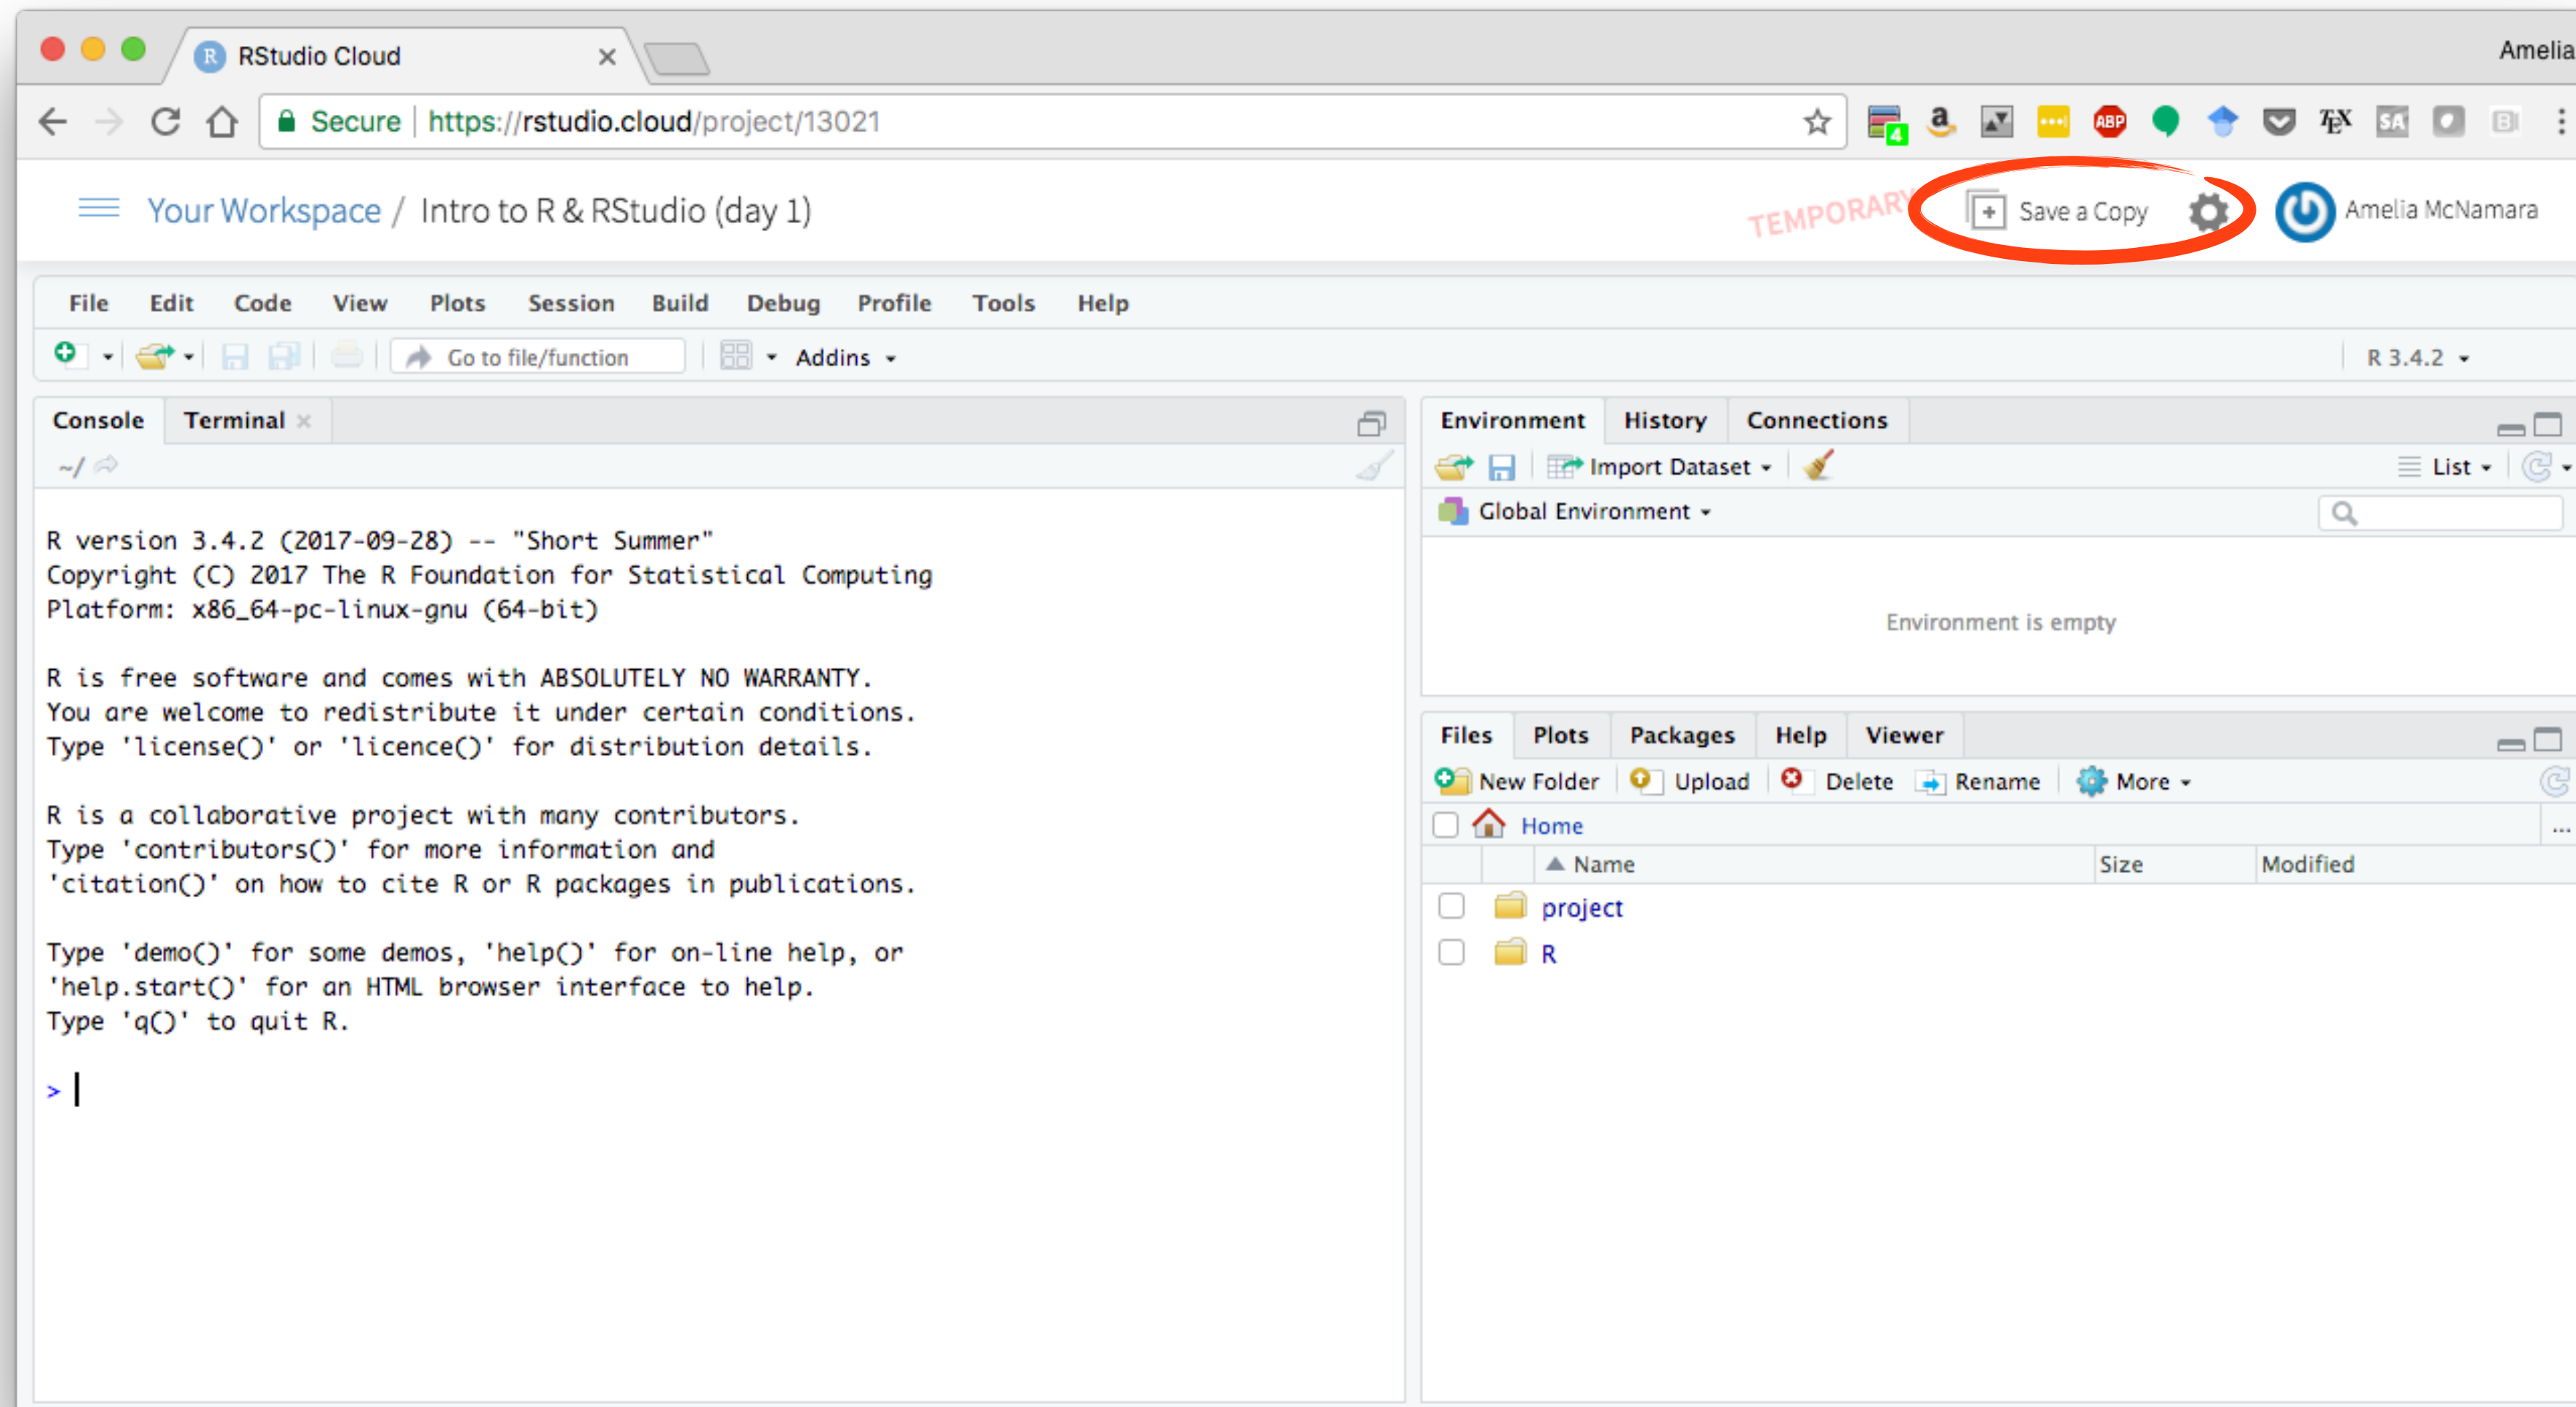

A screenshot of a web browser window showing the RStudio login page. The browser's address bar displays a secure URL from login.rstudio.cloud. The page features a login form with fields for 'Email' and 'Password', a 'Log in' button, and options to 'Log in with Google' or 'Log in with GitHub'. A link for 'Forgot your password? | Sign up' is also present. At the bottom, a small disclaimer states: 'By clicking log in, you agree to the RStudio.cloud terms of use.' The browser's name 'Amelia' is visible in the top right corner.

2. Make an account, or use Google or GitHub authentication to sign in

(Some people have come up against a "two accounts" error—just go back one page and try again)
